Dear Colleagues

Cooke & Cooke - family dispute resolution

On 12 January 2024 I conducted a mediation in relation to parenting arrangements for Christian and Joshua.

In my words, agreement was reached as to 'interim interim' arrangements.

Time did not permit discussion as to financial issues. If the parties and lawyers would like me to assist by conducting a mediation in relation to financial issues, then please make the booking via my website.

I thank Ms Miller and Ms Roberts for their assistance. I wish Mr Cooke and Dr Cooke all the best.

I attach my tax invoices.

Thank you for asking me to conduct family dispute resolution.

Yours faithfully
